Foreword

SITA UK serves over 31,000 industrial and commercial customers with a wide range of recycling and waste collection services.

Our customers vary in size from single unit businesses to large complexes and multisite companies, and are drawn from all the major commercial and industrial sectors.

From our service centres located throughout the UK, we operate a large commercial fleet of vehicles to serve your needs.

Alongside our traditional waste collection services, we deliver a comprehensive package of recycling, hazardous waste and confidential waste services for all types of materials.

Here you will find services available from our location in Cornwall.

Office paper recycling

Recycling Sack service

Used within a workplace environment, the recycled polymer plastic sacks are usually used in conjunction with recycling bins.

Key benefits

- Easy to store
- Lightweight
- Flexible
- Durable
- Suitable for small, confined areas

Container specifications

| | Length | Width | Height |
|-------------|--------|--------|--------|
| 10kg weight | 99.1cm | 73.7cm | 45.7cm |

Recycling Bin service

Used within the workplace environment, these bins are used in conjunction with recycling bags.

Key benefits

- Durable
- Easy to handle
- User friendly
- Aesthetically pleasing
- 'Sweep' system or bag collection

Container specifications

| | Length | Width | Height |
|-----------|---------|---------|---------|
| 39 litres | 38.7 cm | 27.9 cm | 50.8 cm |
| 87 litres | 50.8 cm | 28.9 cm | 76.3 cm |

Confidential waste

Confi-bin® service

The Confi-bin® service uses a specialist patented product, which is only used for secure destruction of confidential documents. It has a letterbox type slot that only allows loose-leaf papers entry to the bin. They are all handled by highly secure box vans with tail lifts, alarms and tracking devices and are encouraging everyone to recycle more.

Key benefits

- Lockable
- Manoeuvrable
- Aesthetically pleasing
- Sweep system
- User friendly
- Secure
- Strong
- Full for empty collection exchange service

Container specifications

| | Length | Width | Height |
|-----------------------------|--------|-------|--------|
| 180 litres / 65kg weight | 55cm | 42cm | 108cm |

Security Sack service

The security sacks are made of very robust double thickness woven polypropylene and have brass eyelet holes at the mouth that allow a numbered security seal to be passed through, securing the sack completely.

These sacks are collected using highly secure box vans with tail lifts, alarms and tracking devices.

Key benefits

- Easy to store
- Lightweight
- Flexible
- Durable
- Securely sealed
- Robust
- Designed to meet CE standards

Container specifications

| | | |
|-------------|---------------|----------------|
| 25kg weight | Width 57cm | Height 82cm |
|-------------|---------------|----------------|

Cardboard recycling

Like our waste collection, our cardboard recycling service is available throughout the UK and can be easily incorporated into your normal waste routine.

Key benefits

- A reduction in your waste bill if enough cardboard can be segregated
- Use of familiar containers (Eurobins)
- Full legal compliance
- Producers of limited cardboard volume can use the mobile compaction system
- Helping to protect the environment

(Please see page 8 for specifications)

Glass recycling

Help to minimise your businesses environmental impacts with a glass recycling service.

Key benefits

- A reduction in your waste bill
- Helping to save energy and protect the environment
- Improving your business recycling rate

Container specifications

| | Length | Width | Height |
|--------------------------------|--------|-------|--------|
| 770 litres | 81cm | 126cm | 136cm |
| (360l and 240l also available) | | | |

Eurobin

Ideal waste handling system for relatively light and smaller quantities of compactable waste.

Key benefits

- Lightweight wheeled container allows easy manoeuvrability
- Can be loaded, moved and stored readily
- Drainage plugs enable ease of cleaning
- Size and design ensures on-site reduced visual impact
- Brakes to secure positioning
- Meets Duty of Care obligations & Certificate of Europe (CE) Standards
- Can be used either inside or outside
- Scheduled collection to meet customer needs
- Ticketless service ensures an efficient paperless collection

Container specifications

| | Length | Width | Height |
|-------|--------|-------|--------|
| 240l | 0.74m | 0.58m | 1.07m |
| 660l | 0.77m | 1.36m | 1.17m |
| 1100l | 1.37m | 1.07m | 1.46m |

Vehicle dimensions

| | |
|-------------------|--------------|
| Loading height | 3.60 metres |
| Travelling height | 3.60 metres |
| Length | 11.00 metres |

For a variety of uses on all industrial premises and building sites.

Key benefits

- Easy loading options by hand or machine
- Open lidded or lockable for added security and to prevent litter escape
- Can be fitted with plastic safety stops to reduce noise
- Service can be scheduled or on-call
- Designed to meet Duty of Care obligations and Certificate of Europe (CE) Standards
- Compaction service is available for certain waste types

Container specifications

| Cubic yards | Cubic meters | Length | Width | Height |
|-------------|--------------|--------|-------|--------|
| 6 | 4.58 | 3.48m | 1.80m | 1.01m |
| 8 | 6.11 | 3.70m | 1.80m | 1.26m |
| 12 | 9.17 | 4.00m | 1.80m | 1.83m |
| 14 | 10.70 | 4.50m | 1.80m | 1.75m |

Vehicle dimensions

| | |
|-------------------|-------------|
| Loading height | 4.62 metres |
| Travelling height | 3.88 metres |
| Length | 7.40 metres |

Rollonoff

For larger quantities of non-compactable bulky wastes such as pallets, wood, polystyrene or demolition materials.

Key benefits

- Fully opening rear doors, for easy loading by hand or machine
- Doors have secondary safety locks
- Designed to meet Duty of Care obligations and Certificate of Europe (CE) Standards
- Scheduled or on-call collection
- Static (non moveable) compactor option available

Container specifications

| Cubic yards | Cubic meters | Length | Width | Height |
|-------------|--------------|--------|-------|--------|
| 15 | 11.46 | 5.79m | 2.43m | 1.00m |
| 20 | 15.29 | 6.10m | 2.43m | 1.90m |
| 25 | 19.11 | 6.21m | 2.43m | 2.11m |
| 35 | 26.75 | 6.21m | 2.43m | 2.10m |
| 40 | 30.58 | 6.21m | 2.43m | 2.99m |

Vehicle dimensions

| | |
|-------------------|-------------|
| Loading height | 5.64 metres |
| Travelling height | 4.00 metres |
| Length | 8.90 metres |
